

SHORE™ ACTIVATIONS™

A PHOTOCROMIC LENS BY **SHORE LENS COMPANY**

Fast Activation

Activations™ are fully clear indoors, turn dark outdoors and return to clear fast. The ideal lenses for all-day comfort and protection.

Color Stability

Activations™ maintain color stability when activating. Available in warm brown or elegant gray tints, Activations™ will fit any frame perfectly.

Convenience & Protection

Activations™ provide convenience for wearers with an active lifestyle or who have a sensitivity to light. They also provide 100% UVA and UVB protection.

Shore™ Activations™ are available exclusively with your trusted Shoreview Progressive designs at Nova Optical Lab.
